HYDRO-BLOK®

The BETTER Shower System

HYDRO-BLOK® is a convenient and hassle-free way to build and fully customize a modern, elegant and 100% waterproof shower system. Whether you are a Do-It-Yourselfer or contractor, the quality and affordability that comes with our products will leave a lasting impression. With its closed-cell XPS foam core and its polymer-modified cement coating, the HYDRO-BLOK system is a fully waterproof line of shower pans, wallboards and accessories that are lightweight, strong and ready for your tile or stone creations – all backed by our Lifetime Limited Warranty.

The HYDRO-BLOK® Advantage

Modified cement coating for maximum adhesion of any tile, stone, or mosaics

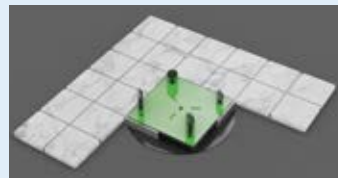

HBCD & HCFC-free XPS closed-cell foam interior. 100% waterproof

HYDRO-BLOK® helps you build a
100% Waterproof Shower System
 easier & faster than traditional showers

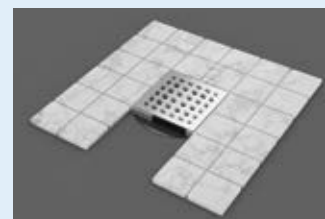

NEW! **LOW-PROFILE** PANS FOR CURB-LESS SHOWERS

ALL shower pan installation components included

Construction plug and grout over frame is adjustable for tile thickness & laterally for tile layout.

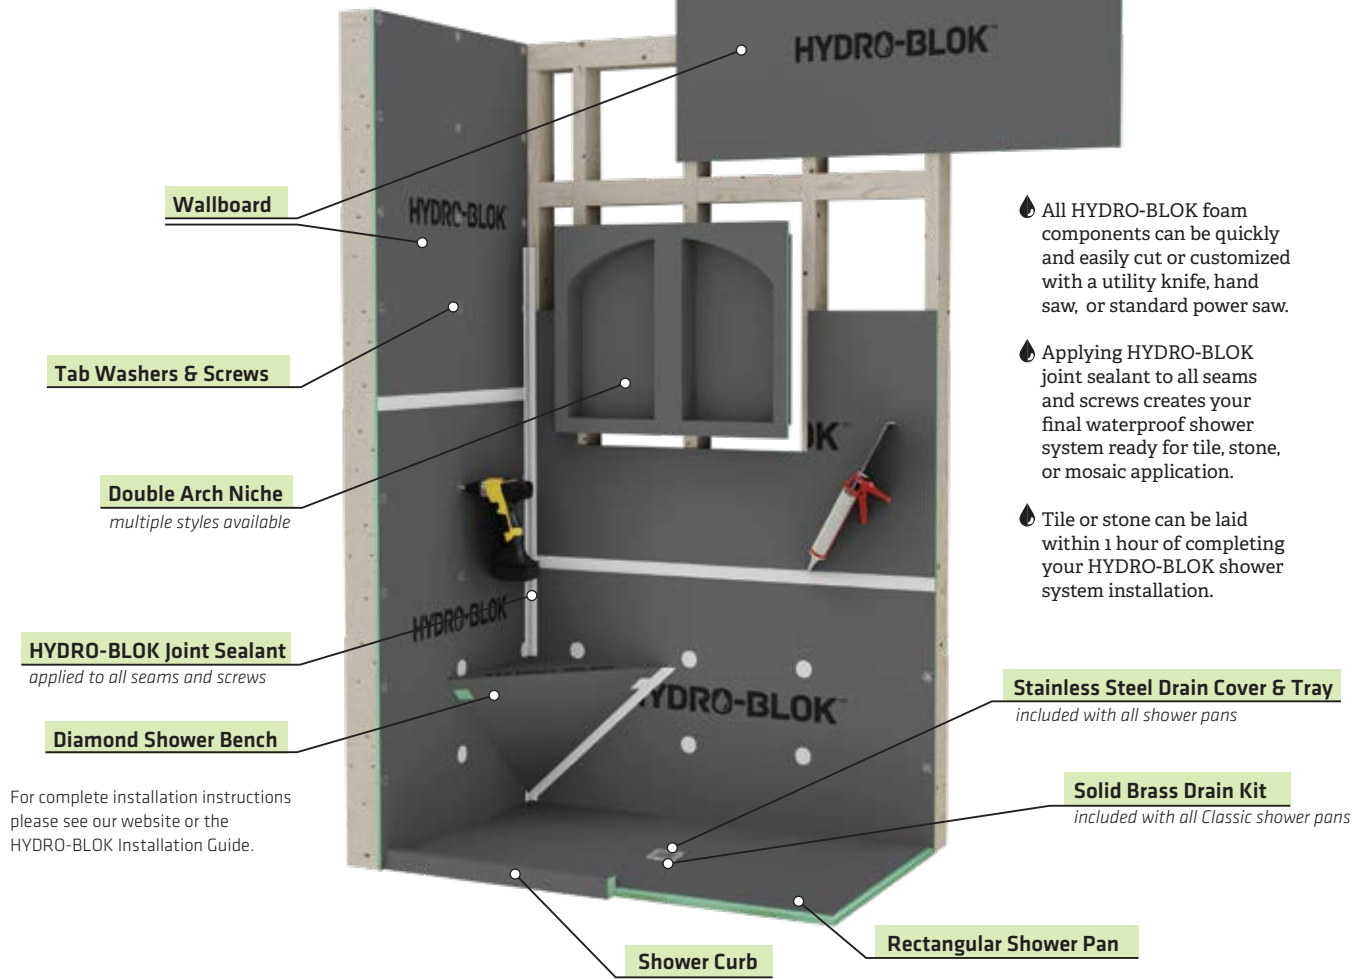

Grout over frame gives a clean finish for your shower.

Grate location can be adjusted ½ inch in any direction from center.

The HYDRO-BLOK® Shower System

BARRIER-FREE ENTRY SHOWERS

Easy Barrier-Free Elegance

Have you dreamed of a luxurious open-concept shower that seamlessly transitions from your bathroom floor directly into your shower with no barrier or curb?

HYDRO-BLOK® Single Slope Shower Pans with the HYDRO-BLOK Linear Drain by ebbe and our all-new Low-Profile Center Drain Shower Pans are your solutions. The freedom to use any size of tile or stone on your shower pan allows for unique and creative designs and a modern, clean appearance with no metal drain cover visible on the shower floor.

The HYDRO-BLOK Linear Drain by ebbe can be placed anywhere in a shower as it is easily customized to fit any shower space or size for either residential or commercial installations.

Take a look at the new era of shower designs and put yourself in a world of luxury and timeless elegance.

The HYDRO-BLOK® Linear Drain by ebbe

The HYDRO-BLOK Linear Drain by ebbe was designed & produced in partnership with ebbe America, a leader in the plumbing industry and known as an innovative manufacturer of floor drains and associated products.

Drain Body

cut to size and add end caps

2" or 3" Drain Connection

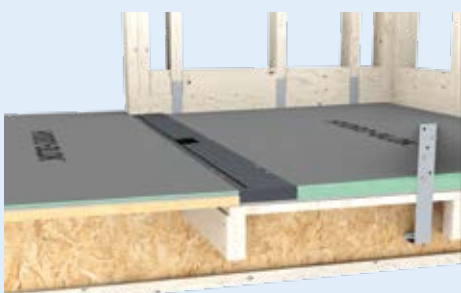

Aluminum Rails

The 73½" linear drain body can be cut to fit showers of all sizes or coupled with additional drain bodies for larger showers

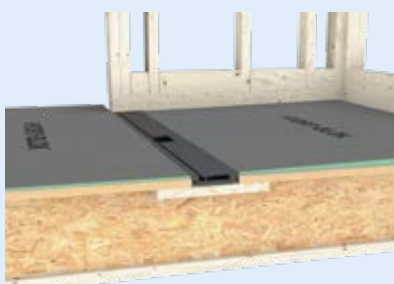

HYDRO-BLOK™ Barrier-Free Installation Options

HYDRO-BLOK Thin Single Slope Shower Pans require only the drain area to be lowered to provide barrier free showers in new or renovation installations. HYDRO-BLOK Standard Single Slope

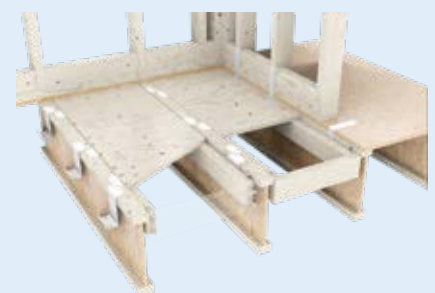

Shower Pans or our new Low-Profile Center Drain pans together with our Sub-Floor Lowering Kit (patent-pending) allow your entire shower area to be set up for a curb-less installation.
